

# DRESS CODE

Dress codes can be difficult to decipher at times, so below is a run-down of our dress code. The intent of our dress code is to provide a comfortable, enjoyable, and appropriate environment for Member and Guest usage while sustaining the quality and standard of excellence upon which our Club was established.

It is the responsibility of each Member to advise their family and Guests (including Renters) of the Club's dress code prior to their arrival. These descriptions are designed to provide direction and alleviate confusion for all dining locations. If you have any questions, please call management for clarification.

*Thank you for your cooperation and support of the Club policies.*
