USGA Rules Govern All Play Except as Modified by Local Rules

- When your ball is in a penalty area, proceed under Rule 17.1d. In the absence of red lines or stakes, the margin of the penalty area begins at the water's edge; OR, when water levels are low, the grass line above the water's edge.
- Landscaped Areas – All planted areas are defined by where the planted area meets the grass line. Play as Penalty Area. Rule 17.1d.
- If an immovable obstruction near the putting green (sprinkler head, drain, etc.) interferes with the line of play, players may take relief under Rule 16.1 as long as the following conditions are met: The immovable obstruction is within two club-lengths of the green, the golf ball is within two club-lengths of the immovable obstruction, and both the golf ball and the immovable obstruction are in a closely mown area. No relief will be given under this local rule if the player chooses a line that is clearly unreasonable.
- Out of bounds is defined by white stakes, residential grass lines and the inside edge of all roadways of the hole being played.
